

### Standard Features

- **Auto Start/Auto Stop:** Optical sensor detects paper and starts operation automatically
- **LED Control Panel with Load Indicator**
- **Door Safety Sensor:** Motor stops automatically if cabinet door is opened
- **Auto Reverse:** In case of paper jam, built-in controls switch motor into reverse to clear jam
- **Heat-treated steel cutters** are specially ground for longevity and require minimal oil
- **High Quality Geared Motor:** Powerful, efficient AC geared-motor with heavy duty steel gears for high performance and minimal noise
- **Extra-wide 16" feed opening**
- **All-Metal Cabinet** with casters
- **Auto Sensor:** When the waste bin is full, the motor stops automatically
- **Lifetime Guaranteed Heavy-Duty Waste Bin**
- **Auto Cleaning:** If shred capacity is decreased, press reverse button for 5 seconds and motor will run in reverse for 1 minute
- **Oil Indicator:** After every 4 hours of use, the control panel LED flashes to suggest oiling cutting blades for optimal performance
- **Self-Diagnosis System:** Records operation time, number of auto-reverse sequences, volume of paper shredded, and can display information for service technicians
- **Thermal Overload Protection**
- **Safety Circuit Breaker** ensures safe operation

### Abilities:

- **Accepts staples, paper clips and credit cards**
- **Manual Function:** Can be used when shredding small sized paper or films which can't be detected by the sensor

### Options:

- **EvenFlow™ Semi-Automatic Oiling System:** Easy-to-use pump and copper nozzles keep the heat-treated steel blades in peak condition

### Warranty

- **Lifetime Limited Warranty** on cross-cut and strip-cut cutting heads
- **1-Year Warranty** on all other parts

Control Panel

### Commercial-grade components in a sleek, practical design

Formax FD 8500CC & FD 8500SC Office Shredders are built to the highest standards for operator convenience, safety and reliability. Both Cross-cut and Strip-cut models feature an easy-to-use LED control panel which puts commercial-grade power right at your fingertips. An extra-wide 16" feed opening accommodates green-bar computer forms. Heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor ensure years of reliable performance and information security in your office environment. The new optional EvenFlow™ Semi-Automatic Oiling System helps to keep the FD 8500 in peak operating condition.

### Specifications:
